Dear Mr. Metin Yener,

We are deeply shocked and saddened to hear about the devastating earthquake that happened in Gaziantep province. We are beyond heartbroken that so many people were killed, harmed and lost their families and homes due to this disaster.

We know that the next few months will be difficult for the whole country and we know that no words could reduce your sorrow in such a distressing situation. The State Audit Office as a socially-responsible institution will make a contribution to help the earthquake-affected areas and people.

Please accept our deepest sympathy and our hopes that Türkiye will overcome this crisis with strength and fortitude.

Sincerely,

**Maksim Acevski, MSc**
